

Jersey Gators

Important Notice

Jersey Gators Invitational

Due to the construction of the new field house and student center on the Blair Academy campus, the Jersey Gators Invitational scheduled for November 30 has been cancelled.

Groundhog Meet

We are anticipating the construction will have progressed far enough along, for us to proceed with the Groundhog Classic on February 1.

Check back periodically to this site or www.njswim.org.

Jersey Gators is working closely with Blair Academy officials during this construction period.
